The Premises:

Apartment on the top floor of a building that is otherwise getting renovated. Was close to station in a nice street. Clean and nice flat though the room is on the small size.

The Lady:

Sylvia is a 6 foot tall slim model like girl. Beautiful eyes, well dressed, nice smile, sweet expression and has a fresh air about her.

The Story:

After some initial chit chat moved into a very passionate session of DFK with Sylvia. Soon directed her hand to matters at attention. What followed was a long and excellent session of OWO which led to amazing sex in multiple positions. I am on the short side and have never been with such a tall lady but it all worked well as Sylvia is slim, fit and tight plus puts in the effort. Very friendly and GFE as she is new to the trade. Intends it to be a stepping stone to bigger and better things which I was glad to hear. So go support this lovely lady - as I had a great experience and highly recommend.
