The Premises:

This place is quite easy to find with paid parking over the road or free on the side street. The front door is numbered but the back entrance would only be known if you've used it before. However it is discreet and leads on to the side street...

Very welcoming receptionist (I think it was Jane?) who chatted for a while and brewed up (Thanks). The room was clean, tidy and very nicely decorated wnd had en suite.

The Lady:

Jennifer can to introduce herself (as 1 of 2 girls available) in the reception room and I had no second thought but to go with her. A big smile and a great figure.

The description and pics on the site are pretty accurate but I've got to add that she is really hot. Pleasant, chatty and very sexy. Great boobs and lovely figure.

The Story:

I was shown to the room and offered a shower immediately, whereon Jennifer left the room for 5.

On her return we chatted and I was offered a massage. This was more her sensually stoking me all down my back and bum, during which we continued to chat. There was absolutely no sense of a rush from Jennifer here, as we spent time discussing tattoos followed by a brief discussion of what was on offer. All nice and easy.

At this point Jennifer removed all of her sexy wear except for a small article around her middle and pull ups and as kissing was offered we lay down and began to kiss (with tongues) and play with each other. This was really nice and again no rush, but I soon moved around to give her oral which seemed to be appreciated. Jennifer has a wonderful pussy, well shaved and was well licked. Once I had finished, on went the condom and she got to work giving me OWO which soon turned into a 69, fabulous.

Eventually we moved into position for sex, beginning with Doggy followed by Mission and Cowgirl (which she was really good at). Again, absolutely no rush as I tried to take my time changing positions regularly whilst she stroked and tweaked me. I was offered to cum over her boobs, but opted to cum inside her whilst in Mission which she felt and reacted to with enjoyment.

On finishing, I was offered a shower again and then we dressed. I left by the back door with a kiss. All in all a great punt and I will be planning on visiting Alicia's and Jennifer again soon.
