The Premises:

Discrete location near Post Office. Clean flat and large spacious room.

The Lady:

Pretty Spanish brunette. Slender figure but great bum and perky medium-sized breasts. Manner was friendly and chatty and I found her easy to talk to. Nice Spanish accent.

The Story:

I have seen both Selena and Viva at Annabella's during the last 2 weeks. They are both cracking girls and my reviews of them are pretty identical since they remind me of each other.

Selena is a great girl and deserves more positive reviews on her profile. I am fairly conventional when it comes to sex and so there's not much point in going into much detail. Having said that she is a nice soft kisser and I really enjoyed finishing off with her in reverse cowgirl while looking in a mirror positioned against the wall. I found her very lively and outgoing, as you might expect from her Spanish background, and she was great fun to be with.
