The Lady:

Paige is a bubbly little blonde, exactly as her pictures show, very smiley, very giggly, very attentive to my needs. A little bundle of fun.

The Story:

Paige was a guest at a birthday party I had arranged for one of my favourite female escorts, I had booked an apartment in Earls Court and invited some of my favourite ladies including Lia Amelia, Lizzy Lou and Sadie Long as well as guys I had done 3somes and 4somes with before. I also booked two male escorts/pornstars Antonio Black and Darnell. Total of 5 horny guys and 5 hot ladies for 3 hours.

All the ladies looked smoking hot in baby doll nighties and not much else.

We started off with champagne, cake, birthday presents, nibbles and music then the party got under way with guys and girls pairing off, there were multiple twosomes, threesomes and foursomes. To be honest it really was a blur but highlights for me included the musical blowjob game where the ladies were on their knees each sucking on a guy whilst the music played, when the music stopped the guys moved around the circle until the music and blowjobs started again, there was also a sex train with guys rimming girls, girls rimming or going down on guys or other girls, making like a long line of girl/guy/girl/guy and so on, there were tongues and fingers everywhere.

There were spit roasts galore and the ladies were excellent at making the guys come again and again, such skills.

We also managed to make all the ladies squirt and especially Paige who is a multiple squirter, the bed and sofa will take a while to dry out I think.

It wasn't all hard-core sex of course, we had breaks to freshen up, have something to eat and drink, to have a breather and a chat, particularly about the escorting industry, Antonio and Darnell's porn careers and it was a good chance for guys to get to know some of the ladies they hadn't seen before in particular Paige who had never met anyone at the party before.

Paige was fantastic as were all the ladies, Paige even got her driver to get more drink as we went through the champagne pretty quickly.

I will definitely book Paige again, probably as a one to one in call to her place, she is very local to me.
