The Story:

I have visited fantasia regular for a number of years meeting some very nice girls it is cheap & cheerful sometimes a bit rushed depending on which girl you get & for that reason I always go & see Tara she is a very warm & welcoming girl, is always pleased me & she give an excellent service in the room well worth the £40 to have extras, I also go & see her at the VIP place which is nicer & more comfortable you have the place all to yourself & £50 for half hour with Tara is fantastic value
