The Premises:

Nice cosy flat in well located block of apartments, a few minutes walk from South Kensington tube station.

The Lady:

What most obvious impresses you on first meeting Valery is her height (6'1"), then her fantastic figure (helped by regular training - you can see the posters of her aspirational/inspirational role models in her bedroom walls and computer screen), and then her charming smile and easygoing nature. For me, she has a perfect body: toned without being too muscular, looong legs with a shapely bum, amazing natural breasts (large, natural, soft but shapely and pert), soft skin, nice hands, sweet face... and a very healthy sex drive!

She has several excellent pictures in her website & ad which show her amazing body, the last two are the ones which are closer to her current look (although she is having new pictures soon I'm told).

The Story:

This was my second visit, a week after the first, and again a fantastic time. Valery is the definition of a GFE: she made me feel completely at ease and relaxed, kisses warmly and deeply, was very willing to please and if she didn't have a good time too she deserves an Oscar. No annoying fake moaning or clock watching. Won't go into details of who did what to whom (what she is comfortable with is listed in her directory ad here in Punternet), suffice to say that by the end of it I was sweaty and very satisfied.

If I had the opportunity, she would be my ideal overnight escort without a doubt.
