### The Premises:

Private dwelling in an apartment block in a residential area. Good neighbourhood. Up 2 flights of stairs. The front door didn't work so she had to come down and let me in.

### The Lady:

5'1" taiwanese. Slim, small breasts, brazilian landing strip down below, round face reasonable pretty.

### The Story:

Quick shower, and then a fairly extensive massage with oils which was nice. She used her body to rub in at the end particularly with her breasts. OWO for a while and the Reverse Oral. She enjoyed that but didn't like to open her legs much and was willing to kiss but only light kissing, not passionate DFK. More OWO and a hand job finish. Overall good relief but no great spark. Her English was reasonable but nothing flash. She says she is 26 and that seems about right. Nice lady.
