### The Premises:

The Old Coach House, very cosy!

### The Lady:

The pictures on the website don't do Poppy justice. Very good looking, totally gorgeous lady with a body and personality to match. She's from Poland and speaks great English, with a very sexy accent.

### The Story:

I got the feeling Poppy was a bit drained and worn out (I know the feeling!) but regardless she delivered a fantastic massage and was great company for an hour. What a professional, what a star :)

Infact she must have been tired because she forgot to ask for my money, I forgot too as my mind was elsewhere and only remembered after 10mins worth of driving home that I hadn't given any money away so back I went. After all she had more than earned it.

She said she's only doing this for a year so hurry up and see her lads she wont be around forever (unfortunately!)
