The Story:

Cate makes you immediately comfortable, she is warm and very easy to get a long with. I felt as though we had met before but I know we never had.

We had a little chat and she was very tactile with lots of soft passionate kisses. Removing her lingerie I was in awe at her heavenly curvy figure. Full firm breasts with erect suckable nipples. She teased me pleasantly while I explored every intermit place of this gorgeous lady. She was very aroused and with some more delicate touches she just exploded in an orgasm that even took her by surprise. Even more intimacy where it seemed like I'd died and gone to heaven we both finished orgasming together.

This lady really knows how to please and is way above what you would normally expect. I can not recommend her enough and this is in fact my second visit as she is so unmissable.
