### The Premises:

Discreate flat on the edge of the main shopping area car park. Clean and tidy room

### The Lady:

Amazing tight and fit body - profile says banging body - spot on! Very petite, beautiful soft olive skin, better than her photos!

### The Story:

Roxy came into the room with high heels and sexy black underwear with stockings. Started with a little massage and straight into OWO. Returned the favour with her on all fours whilst I burried my head between those silky bum cheeks. On with the protection then doggy style - couldn't last long! See then asked if I could come again and we should try and find out - I couldn't by the way but had fun trying. She was a really lovely girl with a wicked sense of humour that made me laugh. Higly recommened
