The Lady:

Description is exactly as she appears on the website and her face, hidden on the website, is enchanting and very beautiful. Her body is warm, soft and sensuous and she stands about five foot six. The perfect package.

The Story:

I fell in love with Lauren before I met her, we had several emails and two phone calls and I have yet to find another escort as polite, articulate and intelligent as she is. Lauren loves kissing and that is all we did the first half hour. After that, we enjoyed each other's bodies interspersed with laughter and cups of tea. A wonderful three hours that I will never forget.

A note to Lauren, I apologise this review is four months overdue, I know you are currently enjoying some downtime, but I hope to see you again when you return. I recommend Lauren to anyone seeking a top class lady.
