### The Premises:

I must say the agency were very efficient. Nice place next to the tracks.

### The Lady:

Great body, good looking, much better than published photos

### The Story:

BBBJ was fantastic, tight pussy I could have stayed all night and finished me off on request with a hand job - very accomplished. Apparently I'm losing my knack at reverse oral, she didn't seem much moved and wasn't much bothered about the 'Girl Friend' bit - she gave me the impression that the sex was a job and the sooner done the better. She is difficult to talk to because she has no interests, five months in London and she stays in every night. Wow - boring.

I guess I must have been lucky, in my early days I met a couple of girls who became friends, I met both of them in civvy street. It was great with them, but I have not been able to find that connection since.

So this is my swan song. I'm nearly 70 and it's time to put all this behind me. I am not finding what I am looking for so for the time being I shall satisfy my sexual drive myself.

My last punt - my last review.

Goodbye to you all and thanks for all the fun. I guess I have spent about £25,000 on this - I'm not sure it was worth it.
