### The Premises:

Car parking a minute away at Racecourse park. Busy neighbourhood with entrance between two shops and up a flight of stairs to reception. I have been here before and gone to the reception desk, but this time was ushered straight into a bedroom when I reached the top of the stairs. Three girls were brought in for me to chose from, and I was offered a drink. Room had a shower, the decor and furniture all seemed new and clean.

### The Lady:

Stacey is probably about 30, English, nice looking face with longish length brown hair. Her body is in good shape with A1+ breasts. She was well presented and looked good all round and had no tats/piercings or heavy makeup.

### The Story:

Stacey is friendly, chatty and by her own account far from new to this work. She does however approach it with genuine enthusiasm and a lot of skill. I enjoyed massage, some handiwork, giving her oral then received a top quality BJ from her (with a condom) and then into missionary to finish. Whilst I had paid for 45 minutes I probably didn't need half of that, with Stacey giving me several reminders that I needed to slow down a bit. Oh well, it was great while it lasted! I then got a very good shoulder massage before Stacey attempted to get me ready for seconds, but unfortunately that just wasn't going to happen.

A very good all round experience, top girl and great sex.
