The Premises:

Same house I met Kimmie in March. On main road in Penenden Heath Maidstone, looks like a former guest house. Safe area, house is reasonably clean.

The Lady:

Well its certainly not the lady in the photos, but she appeared attractive nonetheless, prob 5'8", size 10, 34/36DD, long hair extensions, ok looking.

The Story:

Arrived and she asked how long, an hour I said & paid, she disappeared and came back 2mins later wearing stockings & ok lingerie. I lay on my front and she asked 'massage?', yes please. This was actually ok, quite firm but again no sexy contact. What was very annoying is she kept answering texts on her phone. After 10mins, turned over for oral without which was ok, then on with the condom and started sex with me on top then doggy to finish, all the time she was making quite ridiculous noises 'yes baby'. I had to clean myself up and lay on my front again. She asked in a surprise tone if I wanted another massage, yes please. This on my legs was gain ok. Then she said 'ok very busy', what I asked, she repeated and left the room, all the time answering texts, she reappeared a min later with stockings removed and in a gown. I said I had paid for an hour, she now cannot understand me!!! Time to go. I dressed and again asked about the money & time, 'no understand' - amazing! I was barely out the front door when a van pulled up & the driver went in. Another one for the team. Avoid.
