The Story:

She started off hugging and touching no kissing just pecks on lips. Onto bed and she gave the slowest Blowjob covered struggled to get hard. Then onto cowgirl and then doggy but she had put so much lubricant couldn't feel anything. I then asked for handjob finished but as she doesn't understand english she thought i wanted her to touch herself so i had to finish myself off. when i finished she made the usual fake come noises as if she had finished as well. Why bother
After cleaning up she gave me a back massage
