The Premises:

Quite clean place, nice red bedroom upstairs. High bed with towel laid on top. I wasn't offered a shower but toilet was available. Found place down a side street with no name on door (discreet).

The Lady:

Gorgeous tall white lady with long blonde hair in her mid thirties with large boobs dressed in tasty basque and PVC high heel boots.

The Story:

I entered the premises and was just about to go back into the side street again when a lady asked on an intercom if I was OK and I asked if I was in Bay Babes. She said yes and opened the security lock. I went inside and asked how much for a full service and she said £55 for 30 mins so I paid my money. She led me upstairs and pointed to the toilet where I could freshen up and showed me the bedroom. I soon returned to the bedroom and removed my clothes and lay on the bed. After a few minutes of watching a DVD porn movie on the TV, Jordan appeared in all her magnificence. I spent quite a while sucking her nipples and fondling her boobs, which she seemed to enjoy a lot, and I had a good grope. I asked her if she could suck my balls which she obliged but said that it would be £10 extra which I said was OK. Soon after I was licking her pussy which was very nice and we had a 69. Then it was time to slip on the condom and have intercourse in the missionary position and Jordan was very encouraging. Soon after I shot my load and after a few minutes Jordan removed the condom and suggested for me to get dressed. All in all, Jordan is a nice girl, quite chatty but not too much. I would definitely want to see her again sometime but next time I'd like to see one of the other girls to compare.
