The Premises:

Very well known block in Chelsea. Are any of the rooms let out to anything other than working girls? Easy to find, expensive to park. Nice enough.

The Lady:

I called the agency to book a different girl, turned up at the texted address to be greeted by Tania. She told me that my requested punt had had an extension and was not therefore available, and would she be ok instead.

I was initially annoyed as this was clearly untrue. If this is this agency's usual practice it's very disappointing.

Luckily Tania has spectacular tits, and my annoyance was quickly abated. I've just checked her on line profile, and she's much better looking than her photos, though the pictures do do justice to her breasts. She's an attractive girl, with a great figure, who speaks good English. She has had a couple of tattoos which are not too bad, but she's in danger of blemishing her lovely body if she has anymore. She has a warm welcoming and sexy personality, that is absent from many of her compatriots.

The Story:

It was just a half hour punt, and even then I was out the door in 25 mins. But I had other things to do, so didn't mind. The BJ was covered and once I was up she got astride me and off we went. Quick change of a couple of positions before a very satisfying cum in doggy whilst looking at her cute back-side.

All in all I would recommend that you look beyond the photos of her face on the website. She's got a great figure and really very nice tits. And Tania if you're reading this I happen to be a photographer, get in touch and I could do you a much better photoset.
