The Premises:

Easy to find location very convenient for both Paddington and Lancaster Gate.

The Lady:

Simply stunning. Exactly as per photos and description - a young, gorgeous, exotic nymph.

The Story:

English, 5'2, 32F(natural)-24-34, size 8 - statements I would normally be deeply cynical of and I would expect at least one of them to be incorrect. That's what I was prepared for anyway. But on this occasion I found someone exactly as described. Rio is simply amazing physically (yes, 5'2, 32F natural, slim, model looks) but that is matched with her personality. She is bright, lively, engaging, funny and is just a joy to be with. It would be easy to be distracted by her more obvious assets (and I was on more than one occasion) but you should look past them and see her as the delightful girl she is.

I'll skip over the juicy details of what we got up to but I would say she was more openminded than I was expecting. Wonderful owo, nothing was too much trouble for her and she was clearly enjoying herself. And her breasts are a sight to behold from any angle (and we tried a few). Think Page 3 model quality and then some and entirely, 100% natural. Amazing. We had a rather spectacular finale and chatted the rest of the hour away.

Walking to the station afterwards I was struck by how similar Rio is to the legendary Shanaz and that is high praise indeed. I can honestly say this was the first time I've left a girl and thought I could have paid another £100 and still left feeling I'd found a bargain. Rio could be an absolute star of the London scene and could go as far as she wants.

Highly recommended and then some.
