The Premises:

Alright neighbourhood. Plenty of nearby on street parking. Discreet entrance . Used to be called cloud9 now under new management. In the process of refurbishment, but already clean and quite nice.

The Lady:

Jess is a lovely blonde lady, mid 20s, with a full figure and a naughty twinkle in her eye! She clearly enjoys what she does, and pushes all the right buttons.

The Story:

Nice clean room with bed and couch, candle lit and soft music. Shower and sauna were available. We both stripped, and I opted for a half hr massage with hand relief. Then jess gave a fantastic front and back massage, including body to body, which other places often don't bother with.then some mutual fondling and rubbing, before she expertly brought me to a gushing ending, with a big smile on both our faces!! A great punt.
