The Premises:

Clean, tidy, obviously her home, not overlooked, parking across the road.

The Lady:

Nicely rounded, nice bum, big boobs, looks a bit like Janis Joplin!

The Story:

I had texted and contacted Mel a number of times and I knew what she sounded like and she sounded great and up for some licking, sucking and fucking.

She laid on the bed and spread her pussy lips so that I could get to her clit. She was already wet, as she had been playing with herself prior to me arriving and I was able to get two fingers in her pussy and frig her g spot.

She asked me to stop so that she could demonstrate her muscle control in her pussy which she did and her pussy gripped my fingers tightly! Soon that will be my cock I told her.

Anyway, after some licking of her clit and fingering of her pussy, she came and I felt her pussy muscles contracting.

I then laid back and sucked my cock wonderfully, a lovely wet BJ whilst looking at me and winking.

I wanted to come in her mouth which she didn't have a problem with, but also wanted to fuck her, which I did in Doggie on the edge of the bed.

She is wonderfully tight and again, I felt her contracting her pussy muscles around my cock, so I couldn't control myself and shot my spunk into her pussy.

After withdrawing, we kissed some more and then I left with shaky legs!
