The Premises:

Previously visited location used by 2 or 3 WGs. Basement apartment in Paddington, discrete and clean. Decent sized flat with good facilities, shower, large bedrooms, safe and secure.

The Lady:

Door was opened by Patsy wearing red lingerie, with her breasts barely contained in her bra. Sheer stockings and high heels, Busty, slim, very pretty. In fact one of the best in my experience and thoroughly recommended in her looks and body. Enhanced breasts with very large darkish nipples (I love 'em).

The Story:

A willing kisser which is so important. Great DFK from the start. Was taken into her room, payment made and i asked for a shower as I had just come off a long haul flight. Great shower cabinet and was joined by Patsy still wearing her lingerie. Thoroughly cleaned and tweaked and teased. Back to bedroom and we sat on the sofa and she straddled me, kissing and rubbing herself against me. Bra off to expose her wonderful large breasts and nipples which she really likes having sucked. I was willing to help! Then on to the bed, a period of reverse oral which I love on her clean and sweet smelling equipment. She has prominent labia and clitoris and she loves having them licked and sucked. We enjoyed that for 15 - 20 minutes and she definitely came quivering and shuddering. Then on with the cover and straight into mish. Tried A but I wasn't quite hard enough after that long flight. But back in the pussy and pounded till came. Kissing and cuddling all the time. This was followed by a prolonged massage. She is chatty, great English and happy you let you take the lead if you want. She wanted me to cum again and although I didn't think I could (long flight, not much sleep) she straddled me and rubbed her pussy against me externally till I became hard again and then proceeded to manually stimulate and pussy rub together till I shot my load. Wow, wasn't expecting that! More kissing, final shower and out the door.

Really one of the very best ever with a classy lady who knows how to please and enjoy together. Really top drawer is Patsy. Much recommended.
