Tall slim redhead, well-spoken with very long legs and smallish breasts!

The Story:

Was offered massage but chose to get straight down to business, nice bj then on to deep throat with me holding her head down whilst I throat fucked her, she gagged and pulled away. But took a deep breath and got straight back down it, flipped her over on to her back with head hanging off the edge of the bed, then lay down and was rimmed to within an inch of my life. Slipped on a rubber and started in doggy thumb in her ass then fishhook in her mouth to let her taste it. Swapped holes a few times before doing ATM (with condom), back in the ass before pulling condom off and finishing in her mouth. A good dirty session with a sexy, beautiful woman!!
