The Lady:

As with a lot of pictures on all websites featuring these girls they are inevitably photo shopped as in this case , is it her yes clearly it is , do they need to do this no as she is quite lovely anyway. She is tall and has nice small natural boobs with nice hard nipples and as for her bum well if you like them nice and perfectly round then this is the girl for you.

The Story:

Greeted by her with lots of smiles and kisses and offer of a drink. Had a nice shower then joined her for lots of fun stated with nice GFE approach and then got raunchier just how i like it. Lots of DATY she tastes great especially when she comes and she returned the favour with a nice deep blowjob before tight sex in Mish folowed by a great extended anal session which she really liked (however make sure she gets advance notice via agency)and resulted in explosive finish deep in that perfectly curvey bottom. Then nice chat , she really is a nice girl and then some more great oral with CIMS, all in all great time, thanks again Abby for another good recommendation. Geoff
