The Premises:

Chelsea Cloisters. A large room, clean modern, comfortable with a nice clean bathroom.

The Lady:

Both girls are brunette, busty with large boobs and soft bums. They were just what I ordered and look very like their pics, Denise is slightly younger, more petite and cuter, Aylin probably a bit bigger than her pics, but nice round bum and curvy body. Both girls were friendly and chatty, Denise was particularly horny and keen. They dressed up very nicely in hold-ups, high heeled shoes and sexy lingerie.

The Story:

They both met me at the door looking very sexy in their black lingerie just as I requested to the agency. We had a little chat about their services, and they told me they didn't do OWO which I was expecting, it turns out there was a misunderstanding. It wasn't going to be a deal breaker.

We got down to business and the girls knelt on the bed to show me their lovely curvy bums and sweet pussies. Denise was very sensitive to the oral and became very wet, this progressed to 69, Aylin playing with my balls whilst Denise sucked, I hadn't even noticed them put the jacket on. Aylin's turn and she gave great head playing with my balls at the same time.

I needed to recover so the girls sat either side of me and took it in turns, with lots of lube, to give me a hand job, the other girl joining in or offering me her boobs to play with. As good as most blow jobs.

This led to sex and Aylin wanted to go first. Denise came round to my side and offered me her boobs to suck and play with while she gently spanked Aylin's round bum. The girls swapped over and we continued as before, with some position changes, and more swapping over. Finally Denise decided squat down on me and she vigorously bounced up and down on me until she screamed and rolled off! Did you just orgasm, I asked. Yes!

They finished me off by hand, taking turns until I could hold back no more.

A nice chat a shower and it was time to go. At the beginning I thought it might turn out to be not so much fun, but the girls gave me a great time and I would definitely recommend. Denise's little glint in her eye as she kissed me goodbye reminded me what a great hour I had just had.
