The Lady:

NOT THE GIRL IN THE PHOTO! Skinny, Romanian, small saggy breasts, probably aged 25-30.

The Story:

I really must learn to say no the moment the door opens and the woman is clearly not the one in the photo!

This lady was Romanian. She was impatient, impersonal and robotic. Without going into details, I struggled to perform under the circumstances so I let her finish me off by hand. I paid for 30 minutes but was glad to escape after about 15!

I hope this review discourages anyone else from using this awful "service".
