The Lady:

Jade is beautiful, every inch of her, every little detail is just perfection, certainly to me anyway. Despite being such a tiny lady, she is head and shoulders above any woman I've met. A little gushing maybe, but its true!

The Story:

Jade has come back to the UK and is more attractive and more fun than ever. It's far more relaxing to see her somewhere less busy than the MK parlours.

Quite apart from her astounding looks, the biggest reason that Jade is so captivating is her personality. She is an absolute delight to spend time with. Never mind what you get up to, what stays with you is her amazing attitude to life and her friendly nature.

She's so pretty, so affectionate and so kind that you almost cannot believe that she is real.. but if you get on well and (I hope) she likes you back, she will treat you like a genuine friend because that's what you are to her, it's not an act. That's her secret and why I find myself in serious danger of falling for her!
