### The Premises:

As reviewed in other posts, a very clean, stylish and respectable establishment, entrance is fairly discreet, but it is definitely payment up-front before you are let in the door.

### The Lady:

Not given a choice of girls, but no one could complain about ending up with Anita, slim, fit, busty and beautiful.

### The Story:

My first visit here after several years and I opted for the 1 hour massage and Jacuzzi for £40 and full personal service for £80. I'm sorry to report that this, my first FR, had to be a negative one. This establishment has had a lot of good reviews and perhaps I was expecting too much. Anita is an absolutely gorgeous looking girl, but she has an agenda and you get (whether you like it or not) 25 mins of back rub, 5 mins of body-to-body, 2 minutes of oral and however long you need to get it over with, before you are whisked into the Jacuzzi. There was no kissing, absolutely no eye contact, no intimacy and no real engagement. I've had a lot of mediocre punts over the years, but this has been one of the most disappointing for what could have been, but wasn't.
