The Premises:

OK flat - easy to find in Marylebone and nicely convenient to transport - bedroom was rather small, but functional; bathroom and shower were only that - functional.

The Lady:

Not quite as pretty as her photos, but that's true of most ladies. Her description seems to suggest how proud she is of her boobs - I'd say they're average at best. She's also a bit thicker than her photos would suggest.

She's got a nice smile and good English. Easy to converse with and very comfortable.

The Story:

Her oral skills are really good - knows how to tease and repeatedly bring you right to the brink, only to hold off and prolong the pleasure. Adds a nice accompaniment of sound effects during the process, which only serves to add to the experience.

She's willing to allow you to return the oral favor, but a bit particular about what you can and cannot do (ie no digital penetration). Again, the sound effects added to the overall exercise.

The sex is OK - she doesn't do a lot of wild thrashing about, so you have to get the motion and friction in other ways.

Nice massage to keep things relaxed and enjoyable.
