The Lady:

Stunning Blonde. I've been punting since 2001 and would say without doubt that Sylvia is the most attractive lady I've ever visited. She has a perfect body, no enhancements or tattoos, lovely soft skin, gorgeous natural breasts, long legs and a very pretty face, also a very pleasant and amusing demeanour. In all, perfection! Sylvia has a staggering array of lingerie and other outfits (see website) and always dresses up exactly to personal requirements. I've been going to see her since March 2012, approx 40 visits and will be back for more no doubt!

The Story:

Sylvia greeted me in the specified outfit, as the "naughty schoolgirl" complete with stockings and suspenders and high heels, looking very sexy and ready for action! A chilled glass of wine was provided and a catch up chat, the business end rapidly dealt with, quick freshen up and then down to action!

Sylvia is a brilliant role player, she will follow a suggested scenario very well and really enters into the spirit of the fun. Also as an older punter I enjoy her company as there is no rush with her, which is great as it takes me a while to reach a climax these days, which I rarely fail to do on my visits to her!

Without going into full details I would say we went through the card - Sylvia is an expert at deep throat (see her video on website!) and also has a very sweet and lickable pussy! After some enthusiastic 2 way oral, 69, excellent fucking and her demonstrating her prowess with her favourite toys I was able to shoot my load all over her lovely breasts! After all that exertion I needed a bit of a rest and more wine was provided, there was no rush for me to leave, so we continued to chat for a bit then I bade my farewell.

I'll be back for more very soon. Treat Sylvia well if you see her, she's something else!
