The Lady:

Frankie is of mixed race and beautiful. She describes herself as perfectly curvy and naturally busty and I wouldn't argue with that. She has a very nice pair of large breasts with a nipple piercing. She also has a tongue piercing.

She is on the chubby side but I like that and she is very friendly and accommodating.

The Story:

Started with an oily massage and she then proceeded to give me oral. This was very good and done without hands bringing me to an orgasm. She cleaned me up and we then kissed and I went down on her. She enjoyed that as she had an orgasm or is a very good actor. She said she enjoyed it.

We then had sex in a couple of positions with me having a second orgasm. We then had a cuddle until the hour was up.

Frankie is well worth a visit and doesn't clock watch.
