### The Premises:

Close to Paddington Station in a large unassuming & safe terraced block.

Her place is clean, tidy & presentable, with a shower facility.

Parking is nearby, controlled hours.

### The Lady:

Leila is a curvy & pretty Thai lady who looks just like her website photos, not sure how old she is as i've never asked her.

### The Story:

I have seen Leila a good few times now & am always very pleased with her level & quality of service.

She dresses to please & tease & offers you a drink & shower to make you feel comfortable & at ease.

She is very clean & clearly takes time to look her best.

Her English is good & she has a good sense of humour too.

She plays a nice choice of modern Dance music, played at low volume in the background.

All services were on offer & i enjoyed the menu very much, she is a passionate kisser & responds well to being pleased.

She can be PSE, but also more GFE as well if that is what you are looking for.

I went for CIM & then was given a nice massage afterwards.

Leila is an experienced & professional Escort, treat her well & you will be a happy man:-)

Recommended, & Leila i shall see you again for sure.
