The Premises:

Nice basement flat in large converted period house.

Area is pretty safe as a tourist area.

Parking is available but it is a residential area, so limited.

Flat is modern and clean with shower.

The Lady:

Mariangela is tall (5'11") approx and good bone structured face.

Blonde with green/blue eyes and slim.

She is probably mid-thirties and of East-European extraction.

The pictures are quite accurate.

Well toned physique.

The Story:

Mariangela called me from the front door as I couldn't find her flat in the building.

I walked in and we got the business side out the way.

She offered me a shower and I obliged. After putting on some music and leaving the room

I told her to totally nude after I finish.

When I came out she was ready and I started DFK, I started sucking her breasts.

She started OW (oral with) , then I took her in doggy.

Unfortunately A-level wasn't on offer nor Rimming.

After a good mild session finishing, but she wouldn't let me finish on her, we chatted.

Good experience but not the naughtiest.

A note to remember though this was so called straight session as Mariangela is usually a Dominatrix.

May try and see again.
