The Story:

i have seen scarlet a few times before but this was by far the best when i arrived she was wearing sexy stockings and an electric very short night dress we had a glass of champagne and chatted for a while on the sofa downstairs in her flat i was very nice to chat to her we get on really well but she said to me she was getting horny and so lead me upstairs to her bedroom we had a good long kiss she then jumped on the bed and i began to lick her pussy at the same time we were eating strawberries of each other i would let her take a bite then rub the fruit on her pussy getting some of her juice then eat it i do lovely likng a sexy shaved pussy and hers was amazing i think i made her cum twice she pulled my hair witch i like and she was really wet i know she loves my licking her pussy i then lay back on the bed and she wean to suck my cock had and fast then slow and deep i griped the back of her neck she loves this her oral skills are out of this world then on with the condom and she jumped on top of me its felt so good to slide my cock in her pussy again it is so tight she rode me for a while then we tried doggy followed by reverse cowgirl of the edge of the bed i came hard inside her we lay together and hatted for a while until it was time for me to go . parting is such sweet sorrow. i can't wait to get back and see scarlett again xx
