The Story:

When Paris walked in my jaw dropped to the floor how attractive Paris was, we started with a gentle massage to help me relax before Paris performed OW after a while she suggested that we would do doggy style which i couldn't refuse her and to have that shapely bum facing me. After we tried several different positions before i climaxed that had to be the best 90 min of sex i've had in a while i truly recommend Paris to anyone. She's worth a punt.
