The Story:

I opted for the body to body massage, and Im so glad I did. The massage was pretty limited, she was more interested in getting her hands on my cock and balls. She pretty much wanked me non stop for the full session - from behind, playing with my ass and balls, then with me on my back, all oiled up until I exploded. The body to body was great, I've no idea how i managed to keep my tongue out of her pussy inches from my face! Ive since been back and had a not soo good experience hence the neutral rating.
