### The Premises:

Great - as described previously.

### The Lady:

Stunning. This girl is hot. Upon seeing her, I immediatley asked if I could extend the session!

### The Story:

Face down for a great massage, but once she started on my inner thighs, arse and balls I was in heaven. She had me so horny, her touch is great. Then on to my back to watch this sexy babe go to work on my hard dick. Body to body almost resembled a tit wank which was great. She was happy for my hands to wander over her sexy body. She must have spent 15 mins teasing my dick with her boobs whilst wanking me off. I exploded all over those great boobs.

The great thing about this girl is that she works elsewhere and offers all services. I am definatley going to meet her outside of ego and do much naughtier things with her!
