The Premises:

Good safe environment. One of those modern executive apartment blocks. There is parking on the road outside, but you may not get a spot. However, it's not far from the city center where there is parking, so that may affect your timing. Very clean inside.

The Lady:

Stunning and sexy. Great curvy figure. She always makes an effort - looks great, smells great, great smile. Very warm personality and chatty.

The Story:

I've seen Sacha a few times over the years; where to start? I'm not sure how it gets any better. Always a welcoming smile and very sexy and sensual experience. Within minutes of saying hello to you she is undressing you and not long after that you're sat/lay there with a smile on your face wondering what just happened? I not going to go into detail, but stop wasting time reading this and give her a call. As long as you're serious. She is a really sexy and sensual woman who knows how to treat a guy!
