The Premises:

top floor flat on earls court main road 5 mins from station. very tiny. separated by a sheet. shares with another lady. at night i'd be a bit wary going up those stairs.

The Lady:

stunning spanish lady. my have physique. just right size nice full REAL breasts, lovely latin arse, yet slim build. couldn't have asked for anything more. she is as per her pics.

The Story:

good half hour experience. stripped off and she came back into room. i rubbed dick on top of her fantastic bum and grabbed a handful of breast from behind. she laid me down and gave functional massage.

moved onto covered bj no hands. depp throat and semi gagging. swapped positions and i went down on gorgeous pussy lips. she stopped me then so she could lube up and banged away blissfully in doggy. great view still go me horny now.

all in all a lovely time with a guapa woman. she didn't get full nto it like i like girls to do but she was hot so i don't care. i will if i return though..
