The Premises:

The Lady:

Blonde, Height around 5ft 5inches, British, age approx 35, did not match her photos very disappointed - made no effort in appearance - make up etc, body very out of shape and wouldn't recommend

The Story:

Parking easy either pay on meter or around the streets, I parked in the side street - upon entrance was greeted and initial money taken. Was not given any choice of girl and given directions to room; I assumed the girls would come and introduce however, this is apparently not the way and I was stuck with Izzy. She appeared in a rush and it felt like I was an inconvenience. We agreed on massage and CIM (without) - she undressed and I was very disappointed - massage was rushed and very impersonal, then moved on to main event which was again more of an inconvenience; we Finished up and I was sent on my way - definitely would not recommend, also very disappointed that there was no choice of girl...
