The Story:

I am 35 and have spent 10000s of £s in my life on Call girls, this experience with Lori makes my No 1 worst punt ever... £200 stinker.. Lori likes to Hustle you for more money after you pay her and agree a service, she was trying to negotiate spending more time just as we getting started then when I said 1 hour will do, she was going on about a 100 tip for good service. I said to her I tip you 100 if you make me cum twice knowing that in a hour with me thats near impossible, this cunning plan did not work as she tried rushing me and after 15 mins she got moody, this killed the punt. I asked for some cash back £50 and I leave early (I was only there 20 mins) then she went mad and memories of a bad marriage came flooding back... All in all I do not recommend Lori and all her good reviews must be from inexperienced guys cos I have had far better looking girls and far better service than what Lori gives.
