The Premises:

Easy to find in an enterprise zone - how interesting- good parking close by. Receptionist at desk, very friendly - even did some market research about how I found out about parlour. Good that there was a shower in room

The Lady:

Tall, curvy, long dark hair, very friendly- in a short white masseuse coat which quickly can off to reveal should tasty lingerie. Started with a nice back massage then turned over and Ruby started to rub my cock then on to some sucking. Great technique.on with a rubber and a good long fuck. Ruby seemed to enjoy it and rubbed her clit for part of the ride - really horny.wanted more sucking, which she willingly did, bringing me off in her mouth. A fantastic time! Great girl, friendly, chatty and a pleasure to spend time and money with.
