The Story:

Excellent time with Daniella- offers a range of service. Went for £60 option and £10 for OWO. Am more used to the all inclusive pricing of MK providers but knew what I would get here. Started with back massage with got good when she got her ample tits out and rubbed them over me. Then turned off and she said she was going to give my a good sucking. This she did and more - excellent technique, paying attention to all parts of my cock - shaft, balls, glands and tip. great spitting and dribbling on my cock and rubbing my cock with her hands. Great eye contact. On with rubber and she got on top - great action and she enjoyed it - asked if I wanted her to squirt on me - of course! Then we went mish then doggy - a good long fuck before more sucking. Daniella said she wanted to taste my cum - really excited now - said it would be another tenner - fuck I was so hard and horny what else would I say but yes. This woman really knows how to please you, very exciting and worth the extras. It was my second punt of the day - both great and delighted I could perform and shoot on both encounters.
