The Lady:

Petite lady - looks like her photos on the site. Cracking arse, boob job but nicely done.

The Story:

Third time i have seen Nicolette. She is great fun. Great OWO to start, lots of spit with a nice polish! Great eye contact throughout. Into doggy - pussy first then finished in her arse. She does all this with great skill - really good movement and nice facial contact looking over her shoulder throughout. Good working of balls while pumping.

Paused before second shot which she encouraged. Lied back while she worked the old man back to life - good ball licking. Eventually shot my load in her mouth - she held it there and spat out the contents with a cheeky smirk into a tissue. Well horny IMHO.

Her english is improving and she is a lovely lady would recommend and will be back
