The Premises:

A nice apartment in a safe part out of town. Lovely large bedroom with mirrors.

The Lady:

I have to thank my friend Gabby for recommending Sofi. Looks stunning in person and such a pleasant personality. Reminded me of a Southern Belle with lovely red lipstick, beautiful face, perfect figure, striking blue eyes and a fantastic smile Doesn't get much better.

The Story:

As Sofi was such a sweet and intelligent lady. I chatted with her at longer length than I normally would. Afterwards we proceeded to some intense DFK - I then removed her lovely little black dress. And she returned the favour by removing my clothes. What proceeded was an amazing amazing session of OWO (I am getting really spoilt) - ball licking, deep throat it was just amazing. Afterwards we moved into missionary - Sofi seemed sensitive and asked me to take it slow at first which I did. After a few minutes of missionary proceeded to doggie where I was gentler than I normally am but more intense than the first position - as the OWO session went for so long I was quite turned on and finished rather early in doggie.

Afterwards we had a nice long chat and my time ran on by 15-20 minutes. I can't recommend enough.
