Got the small room, would have preferred a larger room with the full length mirror, but fine.

The Lady:

Very sexy. Liked her.

The Story:

Opted for 30 min body to body option. She gave me a great massage with me lying on my front, plenty of attention played to my balls and rapidly hardening dick. I just loved it when she slipped a hand under me and began teasing my dick whilst using her other hand on my arse and balls. On to my back and she started to work on my front, lots of lovely oil, as she rubbed her naked body all over me. This girl is sexy, and I couldn't hold back any longer as I came loads between her boobs - i will be back. Much better than sex in my opinion, although im gonna see her at house of devine for the full on Ella experience!
