The Story:

I had my eyes on Angelica for a while now but didn't had a chance to see her, as all the time she was not available when I called, but I guess is no surprise she is such a popular girl. On this occasion the receptionist arranged the booking politely; I arrived at the place in time and after few little strange emotions I rang the bell. Instantly in the moment she opened the door and welcomed me inside, all smiling, I knew we were going to have a good time together. I could still feel my knees dancing a bit, as she was actually much better than expected, wearing a sexy dress and high heels.

She knows how to make you feel relaxed and be there. We laughed and discussed small matters for a while. She started undressing me, after a nice FK, she likes having her tits played with. We moved onto the bed where she showed me her BJ technique, to be honest I couldn't wait to explore all her beautiful body. I don't want to get into it too much but I can say that what followed was really mind blowing. Top class girl will definitely see her again when got the chance
