The Premises:

As described before her place is big mansion block, close to underground station. Safe, Clean, cosy with shower facilities. I felt very relaxed.

The Lady:

In word (or two) an absolute stunner. I thought I had died and gone to heaven!

The Story:

Victoria is very friendly, beautiful and a true professional and nothing is too much trouble. She genuinely likes to please and won't let you leave until you are completely satisfied. In my case she tried so much to please I could hardly walk to the tube afterwards. I felt F-A-N-T-A-S-T-I-C!!! She seemed to know what I wanted before I even asked.

Similar to the previous reviewer she wore very sexy underwear with black stockings. I almost came before we had even started she looked so amazing.

I also picked the VIP service. Victoria started with a slow erotic massage, Suddenly I felt her tongue everywhere, after a while I couldn't hold back any longer and finished in her mouth. Victoria was more than happy with this and she helped to clean me up. A further massage followed until I had her anal doggy style where she encouraged me to go deeper until I came again. What a fantastic lady, she's not only sexy but a really nice person to spend time with. She's definitely 10 out of 10 in my book.
