The Premises:

Brooklyns, best in crewe ? have been going for a few years now but lately a few lady's have left (such as the excellent Jenna).

The Lady:

rang to see if Sienna (superb) was available but the only one available was Naomi, her pics looked good so why not?!

In the flesh she is bigger than the pictures suggest but pretty and with bigger boobs!

The Story:

well it had to happen sooner or later - a bad punt @ Brooklyns! should have known as the other girls busy but not Naomi.

she was running late (receptionist made me a drink & we had a chat whilst waiting). In the room Naomi was eager to get me in-and out as quick as possible (to get back on track time-wise?). her services state "across the board", that means no GFE, no kissing (just the odd peck) no hands "down there" and no kissing/sucking on her nipples (makes them sore), so as you can imagine I had a great time! Avoid!
