### The Lady:

Tina is a beautiful small framed youthful Romanian girl with a lot of energy who I have reported on before (although last time was in a threesome) this time I had her to myself. Tina is very willing to please you and does her job well and seems to enjoy it. Pictures on the website are very accurate and same with her twitter account. She has no need to have any pictures photoshopped, she is gorgeous and doesn't even blur her face in the pictures. What you see is exactly what you get.

### The Story:

This was my 5th visit using my URN so got £10 off my booking using their new loyalty system, nice welcoming bonus touch (and the £20 off the threesome bookings over the couple of months did not count against these either).

Unfortunate timing as I rang the doorbell as another punter was leaving, he put his head down and we avoided eye contact (first time that had happened!) so I stepped inside and knocked on the door. Tina answered the door in sexy red skimpy underwear with her stunning tanned body as always. As she took me to the room and we passed another girl I know who was coming out (or in) the shower and I said a quick hello, then Tina took me in the room. She made sure I was supposed to be seeing her, lol, then asked if I wanted a drink or a shower before we got started. I declined the shower as I had one just before I left home so she got in the shower quickly and returned with a glass of water for me. As it was my birthday she said maybe I should have wine or champagne, but I am afraid I was driving. ;)

We stripped off and started with some kissing, then we moved onto the bed where she started giving me some lovely OWO which had me like a rock in no time. Tina has very good BJ skills with a lovely tongue action and a small mouth perfect for sucking. I was in heaven, lots of eye contact as she sucked me off. I then started rubbing her pussy a bit and it felt nice and wet. She moved my fingers up a bit to rub her clit instead as she continued to suck me for quite a while. She changed

position so I have a full view of her naked body with her legs open. I caressed her nipples until they got hard and other parts of her olive naked body. Such lovely smooth skin, this girl is a goddess.

After a while she asked if I wanted to fuck yet, I said yes and she asked which position. As usual I wanted her on top at the beginning. She put on the condom and added some lubricate as she lowers her small frame onto my throbbing cock. Tina has a very tight pussy and lowered herself to take my full length which felt so tight around my dick. She then proceeded to ride me as we kissed and gave me access to sucking her nipples. She changed the ways and angle she was riding me a few times, this girl has a lot of energy in her. She then switched to reverse cowgirl and a great view of her tiny arse hole and lovely sexy bum for a while. Back to regular cowgirl with some fast thrusts up and down my penis so I could see the full view of her bouncing up and down the full length of my cock, what a lovely sight.

She asked do you want to change positions and I said sure and so I started with some doggy, again she was so tight and she pushed back on me as I pushed into her and she moaned great sounds like she was enjoying herself. We then moved onto missionary, where she put a pillow under her back. I tried a few different positions of my legs to get comfortable. I usually never can cum in missionary but I was being a soldier and pushed past my tiredness and continued to fuck her tight pussy as she moaned encouraging sounds for me. After several minutes I got into a comfortable position for me and went for the gold run. This was actually the first time I cum in missionary position with a condom on. Usually I can in doggy with a condom or BJ/HJ after sex with no condom. Tina brings out the best in my sex skills I think. By the end of it I was a bit out of breath and was starting to sweat, I had to drink the rest of my glass of water and compose myself a bit. ;)

Still 30 minutes left so Tina gave me a well need massage. Very nice and seemed professional, got rid of pains in my back which I had all week and she has a lovely touch. Top quality massage of every inch of my body from arms and neck down to my thighs. We chatted for a bit about work and other things. I was thinking about asking if she wanted me to try my skills and massage her, but I was so relaxed and before I knew it time was running out. Probably could have gone for round two of sex too but I was enjoying myself too much.

I spent the last 10 minutes having a shower and getting dressed. All I can say is, Tina, thanks for a perfect birthday gift I will never forget. :)
