### Details of Service Provider:

### The Premises:

Zoe lives in a quiet part of Wellington with (as it appeared) no nosey neighbours or inquisitive people in the area. The area was safe, and although I walked from where I had parked, the area seemed fine to park up nearby.

I did not enquire upon shower facilities, but I suspect she would have been more than happy for me to have a quick wash.

The entrance of the house led straight into the business room and was very functional. A few tins of beer in the room, which I had not expected, but felt comfortable and warm.

### The Lady:

Zoe is a very sensual young lady with a very petite figure and incredibly gorgeous breasts. Height wise petite, where I would suggest around five foot four / five.

### The Story:

Words cannot describe Zoe, she opened the door and popped her head round to see if I was the person she had just been in contact with. Once confirmed, a little peck on the cheek was presented - a nice touch.

Zoe led me in, and asked how I was and if she could help me. She certainly could I thought. A very slim and sexy shape contained within an easily removable outfit.

I nearly exploded when I saw the figure. Zoe asked me to undress and then followed with the exchange of pleasantries (funds).

Zoe lay down on the sofa and asked whether I would like to massage her - I could not resist. It would be difficult to say no with the impeccable body she presented before me, which felt very nice and arousing. She has absolutely gorgeous breasts together with a sweet scent from the nether region - heaven.

Zoe provided some excellent hand relief and asked me to come over her breasts - what a lovely feeling for a first meet.

After a little clean up, where she was very gentle, Zoe asked me to sit down next to her so she could start round two.

I left a very happy and smiley person.

Looking forward to our next session where I am sure I will hope for some more personal time with a very sexy young lady.
